Office of the President,

District Board, Mysore District,

Dated, MYSCRE, 29th September 1925.

From

A. V. Ramanathan, Esq., B.A.,

President, District Board of Mysore,

Mysore.

To

B. Nagappa, Esq., Bar-at-Law,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Local and Legislative Departments,

Bangalore.

Sir,

I have the honour to state that the Engineer-in-Chief for Mysore Railways desired to know in his letter No.907 dated the 15th August 1925 whether the Royalty charges in respect of building materials quarried for the Nanjangud-Chamarajanagar Railway construction from Government lands may be paid and debited to the Project estimate. He also states that there is no due provision for the same in the estimate and that it is a point for consideration if Royalty has to be levied on ^a line built by the Government for the District Board.

The matter was placed before the District Board at their meeting on the 12th September 25 together with the Proceedings of the Railway Committee on the subject. The marginally noted recommendation of the Committee was approved by the District Board and it was further resolved that a representation be made to the --

Government accordingly

1. Read Correspondence ending with letter No.907 dated 15th August 25 from the Engineer-in-Chief in Mysore re. debiting to the Railway Project estimate the Royalty charges in respect of building materials quarried for the Nanjangud-Chamarajanagar Railway line.	)	(1) The estimate for the Railway construction has no provision to meet the cost. According to Rule (iii)
Resolution:- Considering that the Railway is a project which benefits the ryots in the first instance) the Government be approached that the recovery of Royalty of materials quarried for the construction

of the Nanjangud-Chamarajanagar Railway of Appendix A to Government line may be kindly waived, especially as no provision has been made for this order No. Fl. 4932-81/G. F. 163-13-1 of the 22nd April 1914, in the estimate and also in view of the provision in Rule (iii) Appendix A to) all land required for the construction of the line has to G.O. No. Fl. 4932-81/G. F. 163-13-1 dated - the 22nd April 1914 prescribing rules for granting certain concessions when Railway Construction is undertaken.

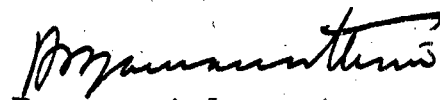

M be provided by Government ~~xxx~~ free of charge, "including land permanently or temporarily required for quarrying ballast for brick fields and similar purposes". In view of the above facts and considering that the Railway is a project benefitting the ryots in the first instance, the Committee recommended that the Government be approached requesting that the royalty in question may be kindly waived".

In enclosing an extract from the proceedings of the District Board, I request that orders of Government may be kindly obtained for waiving the levy of the said Royalty.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board of Mysore.
